after suffering 42 years.

If any reader suffering from rheumatism will write to me I will send them, free of cost, a trial package of a simple and harmless remedy, which cared me and thousands of others, among them cases of over 40 years standing. This is a grand remedy, and want every affilied reader to learn by actual test what marvelous power it has, and therefore will gladly send a sample free, even though thousands of lavalids should apply. Distressing cases of rheumatism, among them bedridden and crippled persons, were completely cured, of which I mention a few: A lady in Denham, Ind., writes that this remedy cured her, and she then cured 15 of her neighbors. In Lyon, Mo., it cured an old geatleman at the age of 82, who had been sufferer for 40 years. In Seguin, Tex., it cured a case of 41 years standing. Hon, Jacob Sexauer, of Fauntain City, Wis, was cured after suffering for 33 years, and after having employed seven physicians. Miss Emma Callender, at 30 Oak St., Vincoanes, Ind., was cured after she was given up to die. Mr. James C. Atchison, Justice of the Peace of Cape Island, N. S., states that this remedy cured his son, who was to be taken to the hospital for an operation. Thousands of similar instances could be mentioned showing ne hospital for an operation. The old boys and old girls, with sons and daughters, ate their New Year's dinner together. While the younger girls prepared the tables, some of the elder sisters talked over experiences of war times, living over again those sad, and days when mothers, wives, sisters and sweetheards gave up their preclous ones to save our country's honor, waiting with breathless anxiety to hear, perhaps, killed or wounded, or worse, taken prisoner; and as they look at the dear old veterans around them their hearts register anew their vows to sid and comfort them and care for their helpless ones. After dinser the officers of the Post were installed by Comrade A. W. Lamb, Past Commander of the Post. The W. R.
